Parent/Carer Consent for Dyslexia Outreach Service Involvement Name of pupil: School: Your child's school has requested involvement from the Dyslexia Outreach Service. This work may include some of, but not necessarily all of, the following: Discussion with people who already know the child/young person Access to relevant personal data held by school on that child/young person Classroom observation • Individual/small group session with child/young person Investigative testing In accordance with data protection requirements, all written information pertaining to this work will be kept securely by the Dyslexia Outreach Service until the young person's 25th birthday. A report or action plan resulting from DOS support will be shared with parents/carers of the child/young person and to the school who commissioned it. It will not be made available to any other party without appropriate permission and will not be used for any other purpose. **COVID-19** The Specialist Teacher will comply fully with any guidelines from the school's risk assessment pertaining to COVID-19. The Dyslexia Outreach Service will also provide the school with a copy of its own risk assessment which can be shared with parents/ carers on request. I give consent to the above named child/young person being supported by the Dyslexia Outreach Service. Please tick box for 'yes'. I give consent to the report or action plan relevant to the above named child/young person being shared with his/her school. Please tick box for 'yes'.

If you change your mind at any time about DOS involvement, you can let us know by contacting the child's/young person's school or DOS via the contact details below.
