Dyslexia Friendly Schools – CPD self audit

In order to identify CPD requirements to help our school on the road to becoming a dyslexia friendly school, please note areas where you feel you need further CPD:

Name:

Role:

Possible areas of CPD	Yes	No
*Background knowledge and understanding of key features of dyslexia		
*Indicators of dyslexia and how to identify dyslexic pupils in my classroom		
*A greater understanding of the difficulties dyslexic pupils face in accessing the curriculum		
*Dyslexia friendly resources and strategies		
*Creating a dyslexia aware school environment		
*Creating and organising a dyslexia friendly classroom environment		
*Developing positive self-esteem in dyslexic pupils		
Making marking and homework more dyslexia friendly		
Monitoring and reviewing dyslexic pupils' progress		
Using technology to support dyslexic pupils		
Screening and assessment to identify and support dyslexic pupils		
Choosing and delivering appropriate interventions for dyslexic pupils		
For older pupils, strategies to support revision and study skills		
Understanding of, support and strategies for dyslexic pupils with numeracy difficulties		

Whole school dyslexia awareness training

As part of your journey in becoming a dyslexia friendly school, DOS will provide whole school dyslexia awareness training. The session will include the essential information that all staff will need to effectively understand and support dyslexic learners in the classroom. The awareness training will include the areas marked * above.

Norfolk Dyslexia Friendly School Quality Mark Award

Dyslexia training support options for each level of expertise
